

**REMARKS**

Applicant hereby responds to the election/restriction requirement set forth in the Office Action dated 28 March 2005.

Applicant elects invention IV including claims 11 – 13, inclusive, and 16, drawn to a method of inhibiting corrosion, classified in class 141, subclass 11. The remaining inventions, inventions I – III, V and VI, are hereby held in abeyance to be included in one or more divisional applications pending the allowance of the elected claims.

An early allowance of invention IV and claims 11 – 13, inclusive, and 16 is respectfully requested.

Respectfully Submitted,
